Who Are You?

Find out what License you are required to hold.

I am a parent and want to teach my child only.

Single User License. (Option A) Permits one (1) print copy and (1) storage device (computer/tablet). Printing for own use at home.

I am a teacher and want the lesson plan for my classroom only.

Single User License. (Option A) Permits one (1) print copy and (1) storage device (computer/tablet). Printing for own classroom use. May **NOT** share with other teachers or charge students for the lesson.

I am a school principal and want a lesson plan as a school resource for all of my teachers to use.

Extended License. (Option C) Permits multiple teachers and copies of lessons and worksheets. Limited to one location and may **NOT** charge students for the lessons. (Each location requires their own Extended License)

I am a Counsellor for a Non-Profit and want to offer courses to my community free of charge.

Extended License. (Option B) Permits single user and unlimited copies for public participation where there is no registration fee charged.

I am a non-profit and want to host classes in my centre and charge a registration fee.

Multi-Use License. (Option D) Unlimited use and copies for one calendar year. Renewable yearly 30 days prior to expiration.

I am a daycare and want to offer these programs at my centre. I want to start with offering them free to the kids but may end up charging a fee later on. I have two staff that will be teaching.

Extended License. (Option C) Permits unlimited teachers and copies as long as you do not charge a fee to the participants.

Upgrade to Multi-Use (Option D) if you decide to charge a fee.

I am a parent who homeschools several students (not my own kids). I want to use your lessons in my classes. I will not be charging a fee.

Single Use License. (Option A) Permitted one teacher in a private group without a fee base.

I am an active community member and want to host these classes in my community at different locations for free.

Extended License. (Option B) You have unlimited copies for a public forum and NO fee charged.

I am a business catering to families and I want to host classes for a fee at my centre.

Multi-Use License. (Option D) You are charging a fee, therefore you must purchase a yearly Multi- Use License for each subject you offer.
